THE CASTLE INN

# A charming Christmas at The Castle Inn

Dreaming of a magical Christmas where you and your favourite people take over The Castle Inn for a festive celebration? Imagine the crackling sound of the fire, the smell of warm spiced cider filling the air, and the cosy ambience of The Castle Inn enveloping you as you step back in time. Picture your loved ones laughing and enjoying the festive season in a setting straight out of a storybook. The 13th-century inn exudes history and charm, offering a unique backdrop for creating unforgettable memories with those closest to you.

Let the magic of the holiday season come alive in this enchanting setting, where modern comforts blend seamlessly with ancient allure.

# Christmas Eve

Make yourself at home from 3pm on Christmas Eve in your very own cosy holiday pub. There's plenty of time to kick back with your loved ones, amble through England's most picturesque village, sneak in a quick round of golf, or work up an appetite in the gym (found at the golf club).

When the evening rolls around, tuck into a delicious three-course dinner, accompanied by half a bottle of wine each.

For those wishing to attend a Christmas Eve service, head over to the village church.

# Christmas Day

Wake up on the big day to a hearty breakfast, before spending the rest of the day as you wish - stay in your PJs all day if you'd like, it's your pub!

When tummies start rumbling enjoy a pre-lunch glass of fizz before sitting down to a three-course Christmas lunch with half a bottle of wine per person.

After lunch spend the afternoon taking a brisk walk, enjoying some friendly competition with a board game or indulging in a sneaky snooze by the fire before watching the King's Speech at 3pm.

When hunger strikes in the evening, take a short stroll over to The Manor House for a mouth-watering buffet.

# Boxing day

Today is your last day with us. We hope you'll leave with memories to last a lifetime - but not before enjoying one last breakfast.

Check-out is at 11am.
