THE CEDAR BAR

Food Menu

Available 12.00–22.00

This late 17th century house, rebuilt by the Dawley family, stands on the cellars of an older building, the windows of which can be seen behind the flower borders each side of the East exit. Prior to leaving you should notice the carvings above the fireplace by Grinling Gibbons (1648–1721). A plaque beside the left hand window tells of the great cedar tree that fell in 1930 giving the name to our Cocktail bar. Whilst enjoying your drink or meal, look out of the window to admire the avenue of lime trees, planted around 1716 with no other intention than the magnificent vista. The flavours, the views, the smell of a crackling fire and obviously good company; all is part of the Cedar Bar experience.
